Dick Nichols is open.

Remember: Repetition helps children become so comfortable with water that they teach themselves how to float, paddle and swim to the side after jumping off the side.

On-Line exhibits for the Texas Memorial Museum on the campus. Free museum weekend is first weekend in October.

Watch for <http://www.utexas.edu/events/exploreut/> coming to University of Texas on first weekend in March, 2009. Plan to spend the day at UT doing really fun things! This day is more valuable than soccer.
